

Information Bulletin № 1

Dear colleagues!

We invite you to participate in the 2019 workshop, “Pacific salmon in the world of human relationships: economic, social, environmental, historical, ethnic and cultural aspects”. The workshop will be held on November 21-22, 2019 in Petropavlovsk-Kamchatsky and Yelizovo, Kamchatka, Russia.

Organizers: Kamchatka Branch of the Pacific Geographical Institute (KBPGI FEB RAS), Far East Department Russian Foreign Trade Academy Ministry of Economic Development of the Russian Federation (Far East Department FTA), Kamchatka Research Institute of Fishery and Oceanography (KamchatNIRO), Kamchatka State Technical University (KamchatSTU), Kamchatsky Regional Public Fund “Saving Salmon Together!”, the Association of Indigenous Peoples of the North Kamchatsky Krai (Association KMNS), the city of Petropavlovsk-Kamchatsky.

Pacific salmon are a global and national treasure. For millennia, salmon have been preserving the unique cultures of Indigenous peoples of the North. Thanks to a generous gift of nature – the Pacific salmon, which reproduce in the Far Eastern regions, Indigenous peoples have survived and flourished in the severe northern climates of the Far North.

Objective: to discuss the current status and future prospects Pacific salmon use, and the significance of salmon for local and Indigenous communities in the North Pacific region.

Main workshop themes:

1. Conservation of Pacific salmon biological diversity and habitat;
2. Socio-economic topics: the biological, economic and cultural value of Pacific salmon;
3. The role of the scientific and local community in the study, conservation, and use of Pacific salmon;
4. Traditional knowledge and cultural practices of Indigenous peoples of the North that regarding salmon.

Organizing committee:

Chairman: Sharakhmatova V.N, PhD (Far East Department FTA).

Organizing committee members: Tokranov A.M., Doctor of Biology (KBPGI FEB RAS), Bugaev A.V., Doctor of Biology (KamchatNIRO), Bonk A.A. PhD (Kamchatka State Technical University), Dyakov M.Yu, PhD (KBPGI FEB RAS), Vakhnin S.I. (KRPF “Saving Salmon Together!”), Romanova T.F. (Association KMNS), Shirkova E.E., PhD (KBPGI FEB RAS), Mikhailova E.G., PhD (KBPGI FEB RAS), Mikhailova T.R. (KBPGI FEB RAS), Petrasheva V.V., PhD, (KBPGI FEB RAS).

The workshop program will be based on applications that are submitted. The Organizing Committee reserves the right to determine the type of presentations given at the seminar (plenary, oral or poster) as well as presentation topic.

To participate in the workshop, please send an application form (indicating your full name, degree, position, affiliation, primary fields of scientific interest, contact telephones, E-mail, whether hotel is needed, and a presentation abstract.

Three levels for presenting abstracts are provided: **session talk, poster and distance presentation.** (The presentations will be published in proceedings and online.) Poster presenters also have the option do a short (up to five minutes) talk. Abstracts submitted to the workshop will be published in the workshop proceeding and placed on the website of the **Kamchatka Branch of the Pacific Geographical Institute** (www.terrakamchatka.ru). In case of providing funds we plan to publish the most of interesting reports in the form of a collection materials.

A printed version of the workshop proceeding will not be distributed, but individual articles will be uploaded individually to the Scientific Electronic Library (www.elibrary.ru), and included in the Russian Scientific Citation Index system. By submitting materials for publication, you consent to the placement in the Index system.

Abstract Guidelines:

Abstracts may be up to 3 pages in length (tables and figures may be included), and should be submitted to the organizing committee in both printed (entered in Word, Times New Roman, 12 pt font, single spacing, A4 paper size) and electronic formats. Abstracts should be in .rtf format, and list the first author. Graphic materials should be placed within the abstract text and must also be sent as separate files (**obligatory**) in .tif, .jpg or .xls formats. Abstracts can be sent by e-mail to pacificsalmon2019@mail.ru. The organizing committee respectfully requests for all participants to keep to the required abstract length. Page sizes should be the following: left margin of 30 mm, right margin of 15 mm, top and bottom margins of 25 mm. Paragraph indent should be equal to five spaces. In the abstract text, include the abstract title in Russian (centered, in upper case) in the first line. In the following line, include the English (in lower case). The initials and last name of the author (or authors) should be written one space below, followed by the author's affiliation (first in Russian and then in English). The abstract text should come on the line below and must be followed by a list of references (preferably not to exceed 5-6 references). Each individual can submit no more than two abstracts as a first author, and no more than three abstracts as a co-author.

Foreign authors can make their presentation in either English or Russian. English language abstracts will be translated into Russian and published in both languages.

Example of presentation abstract format:

<p style="text-align: center;">ABSTRACT TITLE (in Russian) Abstract title (in English)</p> <p style="text-align: center;">I.I.Ivanov*, P.P. Petrov**</p> <p style="text-align: center;">*Kamchatka Branch of the Pacific Geographical Institute FEB RAS, Petropavlovsk-Kamchatsky</p> <p style="text-align: center;">**Soil and Biology Institute, FEB RAS, Vladivostok (First in Russian, below in English)</p> <p>Abstract text.</p> <p style="text-align: center;">References</p> <p style="text-align: center;">Baklanov P.Ya., Karakin V.P.
